

University of Wisconsin-Stout
University Recreation – Stout Adventures
GPS Navigation Equipment

All GPS Navigation Equipment is Rentable to: **UW- Stout Students ONLY** **Limited to 1 GPS unit per Student ID**

Rental period and agreement: GPS units and accessories may only be rented out for a maximum of **1 week** unless approved beforehand by S.A. Coordinator. Late fees will be charged for units and accessories not returned by stated date and time. Please delete personalized waypoints and points of interest from units before returning them.

Batteries: Batteries for all GPS units and accessories will not be provided or guaranteed to be charged and ready for use. All students must take responsibility upon themselves to charge batteries before use. Chargers are available with rental.

Theft: With all GPS units and accessories theft is a major concern especially when left in a visible location or suctioned to a windshield. Please take the necessary precautions to secure both the unit and accessories to increase safety.

Loss or Damage: Student agrees to bear all risk of loss, theft, damage to, or destruction of GPS unit and accessories during the entire rental period and prior to successful return of the GPS unit and accessories to Stout Adventures. All loss or damage requiring repair shall be paid for by the student and is limited to the full replacement value of the GPS unit and accessories. All repairable, damaged GPS equipment must be repaired solely by way of Stout Adventures. Student agrees to bear all expense incurred by Stout Adventures in the course of repair to the GPS unit. Student agrees to bear the replacement cost of damaged or missing GPS units and accessories. A list of replacement costs is provided on the backside of this sheet.

Notice: Some States may have laws prohibiting GPS use and storage when unit is installed on vehicle dashboard and other locations. It is the student's responsibility to be knowledgeable and comply with any such state laws.

Indemnity: Student will hold Stout Adventures harmless from and against all claims, loss, liability for any direct, special or consequential damages as a result of student's use, custody, control, possession, and operation of the GPS unit and accessories. Operation of any radio transmitting equipment, including GPS units, may interfere with the functionality of medical devices. Consult a physician or the medical device manufacturer if you have any questions in this respect.

Warranty of Condition: Stout Adventures guarantees GPS units and accessories to be in good working order when rented. By signing below student agrees that the equipment is in good working order, condition and appearance. Any aspects of the GPS unit and accessories that the student deems unacceptable must be immediately reported to Stout Adventures in writing, or damage charges will accrue.

GPS units aim to provide you with service at all times. However due to the nature of satellite navigation, it is impossible to provide a fault free service. The quality and coverage of the services is dependent on various factors and may also be impaired by geographic, atmospheric, and other conditions or circumstances beyond our control. No responsibility will be accepted or credit given by Stout Adventures for satellite transmissions, reception conditions experienced during the rental period.

Any package or accessory returned late will result in a charge of \$15.00 per day.

Undersigned below has read, understands, and agrees to all terms and conditions of Stout Adventures rental agreement.
